### Tomi's Bites facts

WE MAKE OUR OWN BAGELS IN HOUSE!!!  
We made most of the furniture in the store  
such as the tables (we get lots of compliments).  
We cut each pipe, threaded them, and  
assembled them with hardware store  
wood. We're from NJ but have been  
in business all around NYC's 5 boroughs  
We're here to bring you a little bit of NYC and  
just good home made food. We hope the only  
complaint is that we give you too much food!  
(it is normal to have an inch of cream cheese  
on your bagel in NYC so just tell us to  
ease off if we have to)
